INFORMATION DISCLOSURE STATEMENT

1. Preliminary statements

Applicants submit herewith patents and other papers of which they are aware that they believe may be material to the examination of this application, and in respect of which, there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

2. Form PTO-1449

Form PTO-1449 listing the patents and other papers is attached herewith.

3. Copies of Listed Information Items Accompanying This Statement

Legible copies of all items listed in Form PTO-1449 are attached herewith.

4. Identification of Person Making This Information Disclosure Statement

The persons making this certification are the inventors who sign below on the basis of the information known to them as of the date signed below, which information is associated with the filing and prosecution of this application.
